SKIN DEEP LASER MEDSPA VOTED BEST MEDSPA FOR THE FIFTH CONSECUTIVE YEAR BY READERS OF THE PASADENA WEEKLY

Medical Director Dr. John Gross also won
the Best Cosmetic Surgery Category

Readers of the *Pasadena Weekly* have, for the fifth year in a row, selected Skin Deep Laser Medspa the "Best Medspa in Pasadena" in the newspaper's annual poll of favorite businesses.

Garnering recognition for the first time is Dr. John Gross, Medical Director and board certified plastic surgeon at Skin Deep, who won in the "Best Cosmetic Surgery" category.

"Skin Deep Laser Medspa's winning of multiple categories in *Pasadena Weekly's* Annual readers' poll is a significant achievement of which everyone at Skin Deep should feel extremely proud" said Jon Guyn, Publisher of the *Pasadena Weekly*.

Adds Skin Deep's CEO Colin Hurren, "Over the past five years, our organization has focused on maintaining the highest standards of aesthetic care with complete client satisfaction as our primary goal. The extent of this recognition by *Pasadena Weekly* readers is especially gratifying and continues to inspire our ongoing commitment to maintain this level of excellence."

Since its opening in 2004 Skin Deep has offered an ever-widening range of state-of-the-art skin rejuvenating programs including laser skin resurfacing, photo facials, laser hair removal, Botox®, Dermal fillers, microdermabrasion, photodynamic acne therapy and facial treatments. Skin Deep's medical grade skin care products have been specially designed to work in conjunction with these procedures.

Skin Deep is an approved training center for Allergan, the manufacturer of Botox® and Juvederm as well as Lumenis, the leading manufacturer of lasers for cosmetic treatments.
